

— SAFE ZONE:

All critical elements (text, images, graphics, logos, etc.) must be kept inside the blue box.

Keep all elements away from the blue line (Safe Zone).

— TRIMMING ZONE:

Please allow 0.1 inches cutting tolerance all around. We do not recommend having borders due to shifting in the cutting process, which may cause borders to appear uneven.

— BLEED ZONE 0.1 inches:

Make sure to extend the background images or colors all the way to the edge of the black outline.
